<i>Beer Adventure in Antwerp</i>	Antwerpen	Antwerpen	Culinaire Wandelingen	A culinary walking tour with beer tasting session in Antwerp: 'Het Bieravontuur' is a walk linking different flavours. Tasting and learning how to taste are the major challenges of this tour. A walk through the historic centre of Antwerp will take you to a selection of popular cafés, rediscovering forgotten corners and picturesque squares. You will learn the difference between sour, sweet and tart flavours, sample Trappist and abbey beers, learn more about the fermentation process and experience much more. All this talking about beer will no doubt make us thirsty, which is why this culinary tour starts off with a rich meat and/or fish stew. Both dishes will be served at the table, allowing you to choose the one that takes your fancy. Additional snacks will be available at each 'beer tasting stop' of the walk.	www.culinairewandelingen.be
